

**Trip description for the 50ft Private Yacht for 4 people
in St. John, U.S Virgin Islands**

You and three other guests will embark on an incredible five day, four night, private sailing yacht charter getaway onboard a private yacht, cruising the Caribbean sea around the U.S Virgin Islands of St. John, St. Thomas and the BVI's.

The French designed Jeanneau 49DS luxury sailing sloop features a tastefully furnished, varnished teak interior, and other amenities include the latest full-face snorkel gear, ocean kayaks, etc.

From the moment you step on board, you will surround yourself with the salty air of the sea, and with a breath and a heartbeat, leave your real world behind, and indulge in the simple pleasures of sun drenched days, as you make that shift into what we call "island life".

How much or how little you decide to do, is completely up to you. This is a totally private and customized charter experience, so ask your captain for his recommendation on what to see and do, and he will advise you based on your personal interests.

This yacht charter getaway is designed to be laid back, in unspoiled beauty and unstructured so you can relax and enjoy the experience in luxury and all inclusive indulgence.

Package includes the use of two queen cabins, accommodating up to 4 guests. Also included are all meals, alcoholic/non-alcoholic beverages and unlimited use of leisure equipment onboard. Breakfast and lunch served on board, and evening meals are usually taken on land in one of the numerous island settlement restaurants.

Excludes airfare (to St. Thomas), and taxi to Red Hook Marina where guests will be picked up in the yacht. Required upon boarding is \$100/person (in cash) to cover customs clearing fees for guests and crew, mooring & anchoring fees throughout the charter, etc. Any unused balance is returned to guests at the end of the charter. Please also consider a cash gratuity for the captain & hostess at the end of your charter.

The yacht is available for bookings year-round, except September. Bookings are subject to availability at the time of booking, and handled on a first-come, first-served basis. Trip must be used within 2 years from the date of purchase.
